POSITION.

New Series, Vol. XIV. No. 18.

I wish to talk to you about a certain clownish or rowdyish manner of walking. Hands in the breeches pocket; head and shoulders stooping, you go swinging from side to side, in a very ugly way. As you grow older, this shape and awkward movement becomes fixed, and then to the day staircase top,
The mistress calls to man and maid to wield ble, manly front. Everybody says, "poor house but now presented.

Wherein we dwelt, nor dreamed of dirt, so cozy

Do you know, my little friend, that when you get to be a man, your personal bear-ing, or the manner in which you carry suit of rooms,

With slops and suds, and soap and sand, and your body, will be your introduction to the world? That if now, while you are a boy, you allow yourself to walk in that shilly, shally, loaferish way, when you are older, She was anxious to be slain by the barbathe shill-shally loafer will stick out whereever you may go? That everybody will know at a glance, that you are not a whole man, but only a poor, crooked fraction of survived in spite of herself. one! Do you see that man walking down the street yonder, head and shoulders hanging forward like one who is ashamed of himself-like one who has been stealing that noble gentleman who is coming down on the opposite side of the street. What her sex do at first, and then rained, he a kingly bearing! How grandly he car- was touched and interested in the uncome he must of nights;
To find all things are "set to wrongs" that they ries his head and whole person! Just as soon as you see him, you exclaim, "What noble gentleman is that!" If some one that the heart is never so susceptible to a answers that is General so-and-so, or Governor so and so, you say at once, "I have

young woman, possessed of a fine person and property, a member of one of the oldest and most fashiousble families in the

ents believed she would not, and could not live; and that if she died not, she must be reft of reason Months passed. Charleston fell. Co rians who had murdered her lover. The union forces arrived, but had something else to do than to kill women, and Eloise

She heard the regiment was in town that had charged upon the battalion led by her best beloved, and she resolved to sheep? You would have to know that slayer of her prince and peace. Eloisa see the Colonel and denounce him as the in him as a noble leader. Now look at The Colonel was handsome and gallant; and when the fair girl thundered, as all new attachment as when it is recovering

from an old one. no doubt of it; he ought to be a general In four weeks she had learned to love the Yankee savage, and expressed her willingness to be his; while he was resigned, as most men are, to be worshipped by her if she was bent on such a folly.

They were married in spite of the and friends, and are now in Europe, no doubt renewing on the continent the war that in America has ceased, but which in dominions domestic has no end.

The country is full of swindlers, and they

play their vocation with an ease that as ishes many people. They are called confidence men," and they may well be, inasmuch as so many people place confidence in them. This swindling does not astonish us, and never did. Whoever heard of a person who reads the newspapers, being swindled! We question if many, or any, cases of the kind can be ter case, the fellows were arrested and the

selling churns. The farmers gave their notes for the churns but never got them. Oliver Wendell Holmes (physician, phiren. Surely nothing but the most vindic-tive hate could lead Republicans to give losopher and poet) gives the following ac-got the money, but the green enes never

got the churns. In Chicago, not long since a green fel-Sooner or later everybody is tripped up low from the country, lost a snug sum of

are now maintaining in the Southern ed his patient. Dr. Dease, of Dublin, was more fortunate in a case he boldly declaron the boy, and confided the goods in his care; but neither boy nor the goods have

since been seen. A fellow in Cincinnati goes round and finds where boys are sawing wood. He goes into the house and asks for a portion of the pay, saving he is their father, and

We could readily fill our column with such incidents. We give the above as a sample of the thing. If persons would that, during the year 1865, thirteen societies for the relief of suffering in the south received four hundred and two thousand in the street very often who were both as prefer to buy it at a pretty dear rate.

> WONDERFUL CALCULATION. A writer thus undertakes to convey some idea of the greatness of the popula-

tion of Chius; of he mind cannot grasp the real import of so vast a number. Four hundred

He also supposes this mighty multitude to take up its line of march, in a grand procession, placed in a single file six feet apart, and marching at the rate of thirty "Day after day the moving column ad

vances, the head pushing on far towards carry on their plantations, are getting grave was shot with a bullet that went in the raising sun, now bridges the Pacific goods here on credit, coming North to engoods here on creat, coming North to en-ter into business or practice their profes-other side. A couple of bullets went Pacific is crossed, but still the long processions. All these show by their acts that through his body also. Jabez got well, sion marches on, stretching across high mountains, and sunny plains, and broad Pre contra, Colonel Rossiter cracking a rivers, through China and India, and the plumb stone with his teeth, broke a tooth European kingdoms, and on again over the stormy bosom of the Atlantic. But the circuit of the world itself affords not standing room. The endless column will double upon itself, and double again and again, and shall girdle the earth eighteen times before the great reservoir which furnishes these numberless multitudes is exhausted. Weeks, months and years roll away, and still they come, men, women and children. Since the march began the little chitd has become a man, and yet on they come, in unfailing numbers. Not till the end of forty-one years will the last

of the long procession have passed." Homer could preach eloquently on the vanity of man as a mortal, with equal elojuence, had he seen or contemplated the millions of China could be have preached on the vanity of man as an individual?
